DO NOTS

Do Not put your Directory in an out-of-the-way place, but keep it where you can find it quick.

Do Not think that a Directory is paying for itself unless you use it, any more than an idle dollar or clerk can make you money.

Do Not get mad when a customer asks to look at your Directory.

Do Not look happy when a neighbor wants to borrow your Directory, for if you do, he will borrow it again, and if all were borrowers, when would the next Directory be published?

Do Not forget that an up-to-date city must have a Directory and a merchant that has no Directory is what?

Do Not forget that a Directory borrower today will forget to return it tomorrow and you call him what?

Do Not forget that the man who has a Directory pays for it and the borrower gets for nothing what another man pays for. What do you call him?

Facts About Directory Advertising

It Is the Only

Advertising that is not "hit or miss" from the fact that it can always be found when wanted.

It Is the Only

Advertising medium that has no competition and is used by practically the whole community and is not used for kindling purposes a short time after issued—nor is it read once and thrown away.

It Is the Only

Advertising which is on the job 365 days in a year and, in many establishments, 24 hours a day.

It Is the Only

Advertising medium where you can advertise your goods with absolute certainty that the public can find this information when desired.

It Is the Only

Advertising medium where you would look and expect to find what you want when you want it.

It Is the Only

Advertising medium that represents every business house in the City, and to omit your sign therefrom is like neglecting to place your sign in front of your place of business.

There Is No Advertising to Compare With It—Cost and Service Considered

The City Directory

Represents Conditions Today— History Tomorrow

The men who direct the affairs of the city and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the world as no other publication does or can do.

It is the logical means of publicity in advertising the city, its industrial, commercial and social advantages.

Patronize the City Directory and you automatically boost your own business.

The sign over your door is a mighty good investment, but just consider how much "mightier" investment the Directory offers you.

THINK IT OVER!
